

SPEED STACKS

CANADA

GROUP ORDER FORM

Your child's school has opened a Speed Stacks Group Order!

Each student will be able to take advantage of 15-20% savings* on genuine Speed Stacks equipment (the premier brand in stacking!), and your school will earn cash or equipment back towards their PE program!

Here's how it works:

Your school has a selection of Speed Stacks merchandise (take a look at the right side of this flyer for products and prices) available for your child to purchase.

Visit www.speedstacks.ca and follow the instructions for "New Group Order" to select the merchandise you wish to purchase.

Use your Visa or Mastercard to pay for the merchandise using our secure on-line checkout.**

You print the receipt following payment and send the receipt to school with your child, where they select their merchandise in the color or design that they chose.

Your child brings the equipment home with them and gets stacking!

Stacking is a challenging, fun activity for all ages! Beyond stacking in your child's PE program, there are after school programs, stacking clubs, a healthy on-line community and many tournaments across Canada and the world! **For more information about this dynamic new activity and how to get your kids moving, visit us at www.speedstacks.ca!**
