

Opportunity for Speed Stacks Group Order

Dear Parents,

We are currently running a sport stacking program at our school. Sport stacking is an exciting sport where students stack and unstack 12 specially designed cups (Speed Stacks) in predetermined sequences. Students race against the clock for faster times and race against each other in relays

Sport stacking promotes hand eye coordination, ambidexterity, quickness, concentration and fitness plus, students love it! Sport stacking uses both sides of the body and brain developing important skills needed to dribble and shoot a basketball, throw and catch a baseball, play a musical instrument, type on a computer and more. By activating both sides of the brain, students also benefit academically with greater focus and concentration levels.

One of my goals as a teacher is to increase Physical Literacy by promoting activity at home through positive alternatives to computer, television and video game screen time. I believe that sport stacking is a unique, fun and simple activity that motivates kids to get up and move. To help accomplish my goal of keeping kids active and healthy, I invite you and your child to participate in our school Group Order with Speed Stacks.

Group order participants:

- Receive special school discounts on their favorite gear
- Take advantage of discounted shipping on all orders.
- Help our school earn free equipment - the more you order, the more we earn for the program.

You can order online using these easy steps:

1. Go to the Group Order Store online at www.speedstacks.ca/go
2. Select our province
3. Find our school in the listing and place your order

Instructor Name: _____

Our order is starting: _____

Ending: _____

N.B.: Your order must be placed before the ending date.
